Before School Care provides a safe environment for children to be left in the care of staff before the school day begins.

After School Care provides many opportunities to engage in a number of activities such as homework, sport and other play activities like craft, cooking, science, dance and music.

Our **Vacation Care** is a Family & Community Services funded service.

Vacation Care provides additional activities such as incursions, excursions and wheels days.

2019 COSTS

Annual Registration Fee _____ \$30 first child | Max _____ \$50 per family (paid once per year)
Daily Fees _____ see below for 2019 fees

REBATES

Most families are entitled to a Child Care Subsidy Reduction (this is means-tested and reduces your daily fee) on Child Care Fees. This means that most families pay a lot less than the daily fee. Contact Centrelink on 13 61 50 to see if you are eligible.
