OUR COLLEGE

Toongabbie Christian College is a Kindergarten to Year 12 co-educational day school located in the Western suburbs of Sydney. The College is located ten minutes' walk from Toongabbie station and is serviced by public route buses and a College-operated private door-to-door bus service. The College commenced in 1981 as a ministry of Toongabbie Baptist Church. The College's purpose is to be a caring Christian community that supports families by providing a quality Christ-centred education which develops the whole person for life and eternity.

The College is a Christ-centred learning community where children and young people are given opportunities to grow in their understanding of what it means to live as a Christian in the 21st Century. The College has a reputation as a safe and caring Christian environment where students are encouraged to learn and reach their potential working with committed Christian staff. Toongabbie Christian College offers enrolment to students from a wide range of cultural and denominational backgrounds. Both staff and families are required to provide a reference from the pastor of the Christian church they currently attending. The College seeks to work in partnership with families for the Christian education of their children.

Toongabbie Christian College offers the NESA curriculum, taught from a Biblical Worldview. There is the opportunity for students to study a wide range of subjects to Extension levels at the HSC. The College is divided into a Primary School and Secondary School with a Deputy Principal overseeing each School. In the Primary School, a Head of Junior Primary (K to 2) and a Head of Senior Primary (3 to 6) are responsible for the pastoral care and oversight of students. In the Secondary School, a Dean of Students Years 7 to 9 and a Dean of Students Year 10 to 12 oversee the pastoral care of the Secondary School. The College has three classes per year level in the Primary School and four classes per year level in the Secondary School. To assist with the wide range of student abilities there are programs for extension, acceleration, learning support and EALD students. The College has a strong academic record with the results on NAPLAN, the HSC and the number of University places offered either equal to or ahead of the State averages. Students' work has been shortlisted or selected for showcase in ARTEXPRESS, ENCORE, OnSTAGE, Viva Voca and DESIGNTech.

The College conducts a strong curricular and co-curricular program including participation in academic competitions, excursions, a Year 5-11 camping program, dance troupes, a concert bands program, a Primary Ministry choir, a chess club and an annual mission trip to Suva, Fiji. Students in primary and secondary can learn a musical instrument as part of the College's Music tuition program. Toongabbie Christian College has a proud sporting tradition and regularly competes with success against other schools and at State level.

The College employs two College Counsellors and a Psychologist as part of the overall student wellbeing program and a Chaplain to support our Counselling Team. The College Library is well resourced and provides students with opportunities for homework, research and reading for enjoyment. The College Library offers extended hours for secondary students to support their learning. Toongabbie Christian College operates a Canteen, a Uniform Shop on the premises (with an online component) and an Out of School Hours Centre.

At Toongabbie Christian College, we desire Jesus to be first in everything we think, say and do. Working together we seek the mind of Christ in all our decision-making and planning. As we participate in every aspect of College life we seek to offer the best of ourselves for God's glory. We long to be a generous and inclusive community where our students, staff and parents/carers are valued and enabled to discover and live out God's purposes for their lives. We are committed to walking the long journey of character and faith formation, speaking the truth in love, striving to grow and become mature until each one of us attains *'the whole measure of the fullness of Christ'* (Ephesians 4:13).

STATEMENT OF FAITH

The Nature and Unity of the Godhead

We believe there is one God who is eternal personal Spirit. He is infinite in power, wisdom, holiness and love. God is Triune in essential being and revealed to us as Father, Son and Holy Spirit, and who of His own sovereign will created the heavens, the earth and all that is contained within the universe.

The Deity and Humanity of Christ

We believe that Jesus Christ as the second Person of the Godhead is eternally one with God the Father of whose person and glory Jesus is the accurate expression. To become human He was conceived of the Holy Spirit and born of the virgin Mary, so that two whole and perfect natures, the nature of God and human nature, were united in one Person; truly God and truly human.

The Holy Spirit

We believe that the Holy Spirit is the third Person of the Trinity is eternally one with the Father and the Son yet He is sent by Them to achieve the divine purpose in the world and the church.

The Divine Inspiration of the Scriptures

We believe that the Scriptures, consisting of the sixty-six books of the Old and New Testaments, are the infallible Word of God. They were written by holy people of God inspired by the Holy Spirit and have supreme authority in all matters of faith and conduct.

The Sinfulness of People

We believe that people were made in the image of God and for fellowship with God. By transgression of God's command humankind fell from fellowship with God and their nature was corrupted. As a consequence all people are spiritually dead under Satan's dominion and control and subject to God's wrath and condemnation. Therefore, apart from God's grace, people are helpless and hopeless.

Christ's Atonement for the Sin of Man

We believe in order to redeem people from the guilt, penalty and power of sin; Jesus Christ became human and died a sacrificial death as our representative substitute. By His resurrection, God's acceptance of His atoning death was demonstrated. This atonement is sufficient for the whole world, but effective only in those who received it. The sinner is justified and reconciled to God, not through any personal merit, but solely on the basis of God's gracious gift of salvation in Jesus Christ received through faith.

The Work of the Holy Spirit in Salvation

We believe the ministry of the Holy Spirit is necessary for the acceptance of God's provision of salvation. The Holy Spirit convinces sinners of their sinfulness, leads them to personal faith in Jesus Christ as Lord and Saviour and so brings them to spiritual birth as God's children and to fellowship in Christ. Working within the life of believers the Holy Spirit makes real the presence of Christ, witnesses to their relationship with God, leads into all truth, bestows gifts for effective services and produces graces for holy living.

The Church

We believe the Church is the body of people whom God has separated from the world through faith in Jesus Christ as their Lord and Saviour. All regenerate persons are members of the universal Church of God, which takes local form wherever groups of believers unit for worship, fellowship and service in accordance with scriptural principles. All believers are called to a priestly ministry in the offering of spiritual sacrifices and sent into the worlds to be witnesses. God calls individuals to positions of oversight and leadership or to special ministries. The Church recognises such by ordaining pastors, commissioning missionaries, appointing deacons and other leaders, following New Testament practice.

*** The Baptism of Believers only by Immersion**

We believe that Baptism is an ordinance of the Lord Jesus Christ. It is a public declaration of a person's faith in Jesus Christ as Lord and Saviour. In accordance with New Testament Scripture it should be administered only by total immersion, which symbolizes the believer's identification with Christ in death, burial and resurrection, the remission of sins and the believer's dedication to God to live and walk in newness of life.

*** The Communion**

We believe that the Lord's Supper is an ordinance of the Lord Jesus Christ instituted by Him to be celebrated with the elements of bread and wine by believers in Christ until the end of the age. It commemorates and declares our thanks for the Lord's substitutionary death. The celebration of the ordinance expresses our fellowship with and in the Lord Jesus Christ as members of the Body of which He is the Head.

The Return of the Lord Jesus Christ

We believe at the end of this age, according to His promise, Jesus Christ will return personally and visibly in His glory to the earth. The full consummation of the Kingdom of God awaits His return.

The Resurrection of the Dead

We believe at the end of the age, there is to be a resurrection both of the righteous and the unrighteous. After death the bodies return to dust, but their spirits return immediately to God – the righteous to be with Him and the unrighteous to be reserved for the judgment.

Rewards and Punishments in a Future State

We believe God has appointed a day of final judgment for the world. At that time Jesus Christ will judge every person and each will receive reward or punishment according to their deeds. Those judged righteous, in their resurrected and glorified bodies, will receive their reward and will dwell forever in Heaven with the Lord. The unrighteous will be consigned to Hell, the place of everlasting punishment.

** Variations to these clauses will be accepted to allow for different convictions about these two beliefs.*

ENROLMENT POLICY

Toongabbie Christian College is a ministry to primarily Christian families. We believe that it is parents/carers who are given the responsibility of raising their children but in so doing, they enlist the support of Christian educational institutions to assist them in this task. TCC reflects the values and beliefs that the Christian home promotes. The College is a Christ-centred learning community where teachers and families serve together in partnership to assist students to grow up into Christ. TCC seeks to provide a high quality Christian education that reflects the Biblical Worldview and the way of life that it inspires, which is consistent with our Purpose:

To function as a Christian community in supporting families by providing quality education to develop the whole person in a Christ-centred, caring environment for life and eternity.

Enrolment is available to students who meet the criteria that they have at least one parent who is a Christian and part of a local Church, or, in exceptional circumstances, where only the child shows a Christian commitment. Children who have special learning needs or a physical disability will be accepted for enrolment, providing they meet the criteria for enrolment, and do not cause unjustifiable hardship for the College community. Parents/carers are required to disclose these details during the application process and provide all necessary documentation and recent professional reports at their own cost. The College will use this additional information to outline what it can realistically provide in each case. For enrolment to proceed to interview, families must indicate their support of the stated purpose of the College, its ethos and policies by signing the Conditions of Enrolment, the Privacy Notice, the Cyber Safety Use Agreement and the College Statement of Faith.

In keeping within this framework, the following categories show the priority order in which we accept students:

3. That all fees are payable in advance by the tenth day of each term. In cases where this requirement would cause hardship, parents must make contact with the Business Manager before the due date, to enable alternative arrangements to be considered. Failure to do so may result in your child not being allowed to enter a new term. Any outstanding College fees must be paid by the end of each term. Should an external debt collection agency be involved, all costs will be added to the amount owed to the College.

ENROLMENT PROCESS

(1) ENROLMENT DOCUMENTS REQUIRED

- One Enrolment Application form for each child (including Enrolment Application Fee).

Parents/Carers: It is important for you to disclose any known disability. In doing so, this will assist the College to adequately prepare for your child's education.

- One Pastor's Reference for each family.
- A copy of each child's Birth Certificate or Passport.
- Proof of student and parent Australian residency status.
- A copy of the student's latest school report, if applicable.
- A copy of **all** of the student's NAPLAN reports.
- Prior to enrolment, we require a copy of the child's Immunisation Certificate.
- A signed Cyber Safety Use Agreement form for each child.

(2) Interviews

On receipt of (all) enrolment documents, each family is contacted in order to organise an interview date/time with the Principal.

Interviews are held approximately each fortnight, over an afternoon and evening, although morning interviews are available on some days. Interviews usually take 30-45 minutes.

If possible, please bring your children to the interview: the Principal prefers to meet each child for whom an application is made.

(3) Letter of Offer & Acceptance

Following the interview, parents/carers will be advised, either -

- Students meet the enrolment criteria, a position is available, and an offer of enrolment made for the grade and year applied for.

Families are asked to sign an Acceptance Form, and to pay a non-refundable Enrolment Fee of \$850 within approximately 3-4 weeks of the letter of offer. This is only paid when a new family starts at the College.

- Students meet the enrolment criteria but, at the time of interview, there is no position available in the grade/year applied for. Students are then placed on a "waiting list", and offered places as soon as they become available.
- Students do not meet the enrolment criteria and are advised, in writing, that they will be not offered a position.

(4) Pre-commencement Interviews

Kindergarten Children

Children who have been offered a place in Kindergarten are invited to a Placement Interview in August/September prior to commencement. Parents/carers and child meet with the Head of Junior Primary or a Kindergarten teacher, who spends about 20 minutes with the child, getting to know them.

Students in Years 1-6

These students are invited to an interview with the Head of Junior or Senior Primary, prior to commencement at TCC. This interview and tour of the College takes about 30 minutes, and gives College staff the opportunity to get to know the student, and determine the best class placement for them. Following the time spent with the student, the Head of Junior or Senior Primary also spends time with the parent/carer.

Students in Years 7-12

These students are invited to an interview with the Dean of Students, prior to commencement at TCC. This interview and tour of the College takes about 30 minutes. During this time, subjects/electives are chosen and issues relevant to secondary students are discussed.

(5) Commencement

Parents/carers are notified about the date and time of commencement, and given details about uniform shop opening dates, textbook or other requirements and the College Handbook.

(6) Late Enrolments

Please note that the enrolment process is the same for families who submit their applications during school vacation periods. Students cannot commence until all documents have been provided, families have had their interview with the Principal, and other relevant staff.

Due to the possible unavailability of staff during the vacation period, students may not be able to commence on the first day/s of the new school term.
