This policy aims to assist all students to attend school on a regular basis, arrive on time and follow early leaving procedures, as well as assist staff in roll marking procedures.

Toongabbie Christian College (the 'College') acknowledges that regular attendance and punctuality is essential to one's academic progress, safety and wellbeing. Monitoring of attendance forms part of the College's duty of care responsibility towards our students.

The College implements a variety of strategies to support student attendance and engagement in learning. Strategies include, but are not limited to:

- clear communication with parents/carers regarding attendance at Orientation Sessions, Parent Information Sessions and through Parent Services.
- clear processes for following up attendance and lateness in order to promote high expectations.
- creating a welcoming environment through strategies such as teachers on gate duty welcoming and farewelling students as they arrive and depart the College; students arriving late are supported in getting to and settled into class.

3. Policy

3.1 General Principles

- 3.1.1 The College will comply with relevant legislation in relation to students' attendance records and notifications. The principal maintains a register, in a form approved by the Minister, of the enrolments and daily attendances of all children at the school, which includes information for each student as required by Section 3.8 of the NSW Education Standards Authority (NESA) Registered and Accredited Individual Non-government Schools (NSW) Manual.
- 3.1.2 Student absence and variation to attendance will be recorded using the Minister's codes.
- 3.1.3 The College will monitor student attendance data and implement intervention strategies to improve unsatisfactory attendance of students.
- 3.1.4 Staff will be trained to record and follow an explicit pastoral responsibility in relation to managing school attendance for all students enrolled.
 - 3.1.4.a According to the Act, the compulsory school age is 6 years and above up to the age of 17, as per legislation. Attendance of all students will be managed and monitored as per this document.
- 3.1.5 The Principal is responsible for and liable for, in person, the attendance of students.

4.1 Register of Enrolments

- 4.1.1 The Register of Enrolments is stored electronically in Sentral, which maintains records of dates of arrival and departure of students. This is maintained by the Enrolments Officer.
- 4.1.2 The following information will be entered into the Register of Enrolments:

A risk-based approach is taken to determine the timeline to inform the NSW Education Department. The College then completes the *Destination Unknown Notification for Non-government Schools (Appendix E)*. Upon completion, this form is emailed to attendance@det.nsw.edu.au. This is completed by Student Services Attendance. A print out of the form and email is printed and stored in the student's file and the student is then removed from the Register of Enrolment.
- 4.1.8 The Register of Enrolments is backed up electronically by Sentral and stored indefinitely in the cloud.
 - 4.1.8.a NB: Register of Enrolment information prior to 2017 is stored in PC Schools by the College and backed up in the cloud.

- Lateness due to buses (public and private) will be noted but not recorded.
- Students require a note from parents/carers explaining lateness within seven school days.
- Senior students, who have flexi time, must sign in or out using the Attendance Station in Student Services. The late slip must be presented to the Class teacher.
- Periodically, lateness notifications will be generated by Sentral to the DoS7-9/Dos10-12.
- The DoS7-9/Dos10-12 will then make contact with a parent/carer to discuss the lateness of the student if:
 - A pattern of lateness is observed for a period of time (eg several times within a fortnight, with no apparent and/or justified reason)
- The DoS7-9/DoS10-12 documents the discussion/phone call and continues to monitor the lateness. This is documented in T:\Restricted Groups under the Relevant Dean of Students folder.
- The DoS7-9/DoS10-12 will inform the Family Group teacher that this has taken place.
- The DoS7-9/DoS10-12 investigates concerning absences and decides on a plan of action which could include contacting parents/carers or verifying absence and informing teachers.
- The DoS7-9/DoS10-12 informs DPS if absence continues. DPS will investigate and contact parents/carers, and an attendance plan will be created, using specific strategies and goals based on the reason for the non attendance. A copy of the plan will be sent to the Principal.
- If there is no improvement, the DPS will inform the Principal for further action, based on available intervention strategies.
- Every week, a lateness report will be prepared by Student Services - Attendance and presented to the DoS7-9/DoS10-12 to assess a pattern of lateness.

Extended Explained Absence, Chronic Absence and/or Patterns of Absence

- At the end of each week, Student Services Attendance prepares a Sentral absences report and an accumulative report containing those who have reached a threshold of 10% or more absences. This is sent to:
 - 7-9 = DoS7-9 and DPS
 - 10-12 = DoS10-12 and DPS
- The DoS7-9/DoS10-12 investigates absence and decides on a plan of action which could include contacting parents/carers or verifying absence and informing class teachers.
- The DoS7-9/DoS10-12 informs DPS if explained absence continues.
- The DPS will investigate and contact parents/carers.
- If there is no improvement, the DPS will inform the Principal for further action.
- Forming part of a risk-based approach, the further actions could include:
 - determining whether or not the non-attendance is a child protection matter (neglect)
 - warrant a report to DCJ, based on the student being at risk of significant harm.

Recordkeeping

- Records of the DoS7-9/DoS10-12/DPS contacting a parent/carer or any other action taken is stored in T:\Restricted Groups\Wellbeing Team
